

Bid a Limo Guidelines

It's simple. If you are on a transportation budget bid your limo ride is the route to take. All you have to do is gather up all of your details for the service you are requesting Aquarius Limousine and Party Bus Service to perform. The information to take into consideration when planning your transportation needs is as follow:

Date	Date of Service?
Time	What time will the service begin and end?
Number of Passengers	Get the total headcount of people to accompany you in the Limo
Type of Limo	Sedan, Stretch Limo, SUV Limo, Party Bus etc.
Event	i.e Wedding, Birthday, Quinceanera, etc.
How many Hours	Time of Pick up to Time of drop off
Pick up Location	What is the city of pick up
Drop off Location	What is the Drop off city?

Example: January 24th 10 passengers, MKT Stretch Limo, Wedding, 4 hours, PU: Arlington Heights, DO: Chicago. I would like to bid \$400.00.

What is your bid amount:

Once bid is accepted and reservation is confirmed, your credit card will be charge the full amount of service with the credit card on file. When Aquarius Limousine and Party Bus Service accepted your bid you are responsible for the total final fare, which will not be charged until we have accepted your bid. This applies to all vehicle types except for Party Buses, for which you will be charged the amount you bid.

Party Buses bids are only for last minute bookings. Make a bid and we will let you know if the party bus is available, and if your bid is reasonable we will send you confirmation. Your credit card will be charged a 20% deposit of the total accepted bid amount which is non-refundable and you will pay the driver the balance in cash at the time of service.

For Example:

- You have requested a 28 passenger party bus at the last minute and your party can afford to pay \$30 each and there are only 25 passengers that will be joining the ride. $\$30 \times 25 = \750 . Once your bid is accepted you will pay 20% of the total $\$750 \times .20\% = \150 will be applied to your credit card and the balance of \$600 will be paid to the driver at the time of service.
